Dear Sir:

Introduction

The present application was filed January 17, 2001, with 9 claims (1-4 in the application and 5-9 by preliminary amendment). In paper number 3, dated 09/16/2002, the claims were subjected to a three-way election of species requirement as follows:

(1)-a species wherein a row of rectangular cube corner elements is formed on a working

01 FC:1252 surface of each of the laminae (claims 1-4);

410.00 CH

(2)-a species wherein at least one microcube of an array of microcubes is rectangular and being canted face-more-parallel (claims 5-6 and 8-9); and

(3)- a species wherein at least one microcube of an array of microcubes is rectangular and has at least one pentagonal face (claim 7).

The Office Action set a shortened period of response of 1 month, which period ended on October 16, 2002.
